February 2017—March 2021

Sales Supervisor/Business Specialist

Optus, Melbourne, Australia

- Managed and coordinated a team of sales staff, assigning tasks and ensuring they were completed effectively to achieve desired results.
- Supervised and synchronized staff to meet all sales targets and KPI's.
- Provided excellent customer service and maintained positive customer relations, resulting in a 90% customer satisfaction rating.
- Maintained inventory, ensuring product availability and timely ordering of new stock.
- Handled merchandising to optimize sales and promote new products.

January 2014—January 2021

Graphics Designer/Website Designer

Amplify Group Pty Ltd, Melbourne, Australia

- Collaborated with clients to understand their needs and delivered high-quality design solutions in a timely manner.
- Ensured all digital content met requirements and effectively communicated the client's brand message, resulting in a 95% client satisfaction rating.
- Utilized search engine optimization (SEO) to increase website traffic and generate leads, resulting in a 20% increase in website traffic and a 10% increase in lead generation.
- Develop and maintain applications using JavaScript, HTML, and WordPress

Education

January 2022 – April 2023

Advanced Diploma: Software Engineering
Centennial College, Toronto, Ontario, Canada

To broaden my knowledge in the technology field, I studied in Centennial College as a Software Engineering Technician and have obtained a diploma as a Software Engineer. Core skills I have acquired in my study are Web development, Database using SQL and MongoDB, Java, C#, and Python.

My learning experience at this institution has greatly helped me prepare for the real world. Projects were shaped around real-life situations and gave me hands on experiences to perform tasks and practice coding responsibilities.

Relevant Courses Completed:

- Programming 1,2 & 3
- Web Interface Design
- Client-Side Web Development
- Java Programming
- Advanced Database Concepts
- Web Application Development

Key Achievements:

- GPA of 3.68

April 2020 – April 2021

Diploma: Digital and Social Media Marketing
Australian Pacific College, Melbourne, Australia

January 2016 – January 2017

Diploma: Design and Visual Communication
Swinburne University, Melbourne, Australia

Awards and Honours

- First place, WIMTACH Expresume Hackathon, 2023
- Winner, Centennial College 11th Annual Technology Fair, 2023
