- Strong communication skills. Proficient in English, Mandarin, Cantonese

Education

January 2022 – April 2023

Diploma: Software Engineering Technician
Centennial College, Toronto, Ontario, Canada

To broaden my knowledge in the technology field, I studied in Centennial College as a Software Engineering Technician and have obtained a diploma as a Software Engineer. Core skills I have acquired in my study are Web development, Database using SQL and MongoDB, Java, C#, and Python.

My learning experience at this institution has greatly helped me prepare for the real world. Projects were shaped around real-life situations and gave me hands on experiences to perform tasks and practice coding responsibilities.

Relevant Courses Completed:

- Programming 1,2 & 3
- Web Interface Design
- Client-Side Web Development
- Java Programming
- Advanced Database Concepts
- Web Application Development

Key Achievements:
